

Toy40 - 3 Button Lexus Shell for Land Cruiser

Description

Product Information

Replacement 3 button shell with Lexus Logo, no module included.

Please insert your existing programmed module.

Key Profile / Series

TOY40 profile - Laser cut 0001 - 5000*

*This profile is very similar to the TOY48, if you order the incorrect shell we will adjust the part number automatically depending on key No. The price will be adjusted accordingly.
